Monday 25th March 2023. 6pm to 8.30pm

Venue: Bath Royal Literary and Scientific Institution, Queen Square, Bath, BA1 2HN

Provisional programme and speakers:

17.45pm Arrive. Tea, Coffee, and soft drinks available

18.00pm - Introduction

18.10pm – 18.35pm Raj Sengupta, Consultant Rheumatologist RNHRD, Visiting Professor at University of Bath. **Axial Spondyloarthritis research in Bath – what we have learnt so far and next steps.**

18.35pm to 19pm – Vicky Flower, Consultant RNHRD. **Connective tissue diseases and patient involvement.**

19.05 – 19.45 Break for light snacks and poster viewing. Approximately 8 RESEARCH POSTERS on display to view. Vegetarian and Gluten Free options will be available.

19.45 to 20.10 – Andrew Allard, Consultant RNHRD. **Rheumatoid Arthritis Research at the RNHRD – Past, Present and Future**

20.10 to 20.30pm – William Tillet, Consultant RNHRD. **Updates in Psoriatic Arthritis at Bath (provisional title).**

20.30pm Close (*we may overrun a little in each of the talks, so this is an estimate*)

Please note there will be staff and/or a photographer taking photos during the day. Please speak to a member of staff if you'd prefer not to be in any of them. It will mainly be speaker photos and some audience or group pictures.

Any queries, please email: Admin@birdbath.org.uk

Venue accessibility – the talks are on the 1st floor and there are also steps up to the entrance reception. There is a lift at BRS LI, however it is accessed from a different door up the street. Please call reception on arrival and one of the BRS LI team will come to help. Tel: 01225 312084
